### ***Breaking through Barriers for Women and Girls***

The AAUW Idaho State Board has voted to help send a Boise State student and an Idaho State student to the National Conference for College Women Student Leaders in June. Another ISU student will be attending.

Idaho State University recently hosted a Campaign College for approximately 40 students. ISU was one of 10 institutions chosen to host the event this year. The program encourages and trains young women to run for student government on their college campuses. Way to go, ISU!

Minutes of AAUW Board of Directors meeting are posted on the [aauw.org](http://aauw.org) website. This is an excellent way to keep up on what is happening at the association level. Check frequently, also, at [aauwidaho.org](http://aauwidaho.org) to see what is new with AAUW Idaho.

Things of interest to members:

- ❖ Association is urging branches to elect officers this spring and post them on the Member Services Data base so that new officers will begin getting information on July 1.
- ❖ Connie Hildebrand, AAUW Board of Directors member, will be a presenter at the state convention.
